### **Love my Bump Package** **\$285**

Pregnancy (for the most part!) is a beautiful time in your life. Invite me into your home to capture this exciting time...we'll celebrate your beautiful bump, your food cravings, your inability to see your feet--all of it! Maternity sessions are recommended between 30-36 weeks. In addition to 1-2 hours of natural light photography in your home, your package includes:

Twelve 4x6 prints

Four 5x7 prints

Two 8x10 prints

### **Baby of Mine Package** **\$485**

Photographing your newborn is an incredible way to document the first days of their life. An invitation to capture this amazing moment is a very special one to me, as I've recently had a baby of my own! Newborns are best photographed between 4-10 days after birth. To schedule in advance, please call with your estimated date of delivery so that I can keep my schedule flexible during that time. In addition to 1-2 hours of natural light photography in your home, your package includes:

50 custom-designed birth announcements

Ten 4x6 prints

Six 5x7 prints

Four 8x10 prints

20% off additional a la carte prints

### **Love my Bump - Proud Parents Combo Package \$700**

Schedule both packages and save! This package includes two portrait sessions in your home; one during your pregnancy and one when your precious bundle arrives! Prints listed in each package are included, as well as 10% off canvases and storyboard specialty items.

### **"Next Top Model" Birthday Party Package \$300**

Host a makeover and dress-up affair for your daughter's next birthday party! I'll bring my camera, backdrops, and silly sense of humor to make sure each guest is smiling for their "professional shoot"!

Surprise your guests with a makeover and hairstyling (given by you or the birthday girl) and a selection of outfits for them to wear. I'll photograph each guest in their new style and produce 10-15 images for them to view after the party. Parents of all guests will have access to a private, online gallery of their daughters' images. Each guest can choose their favorite picture and a 5x7 print will be created just for them!

The birthday girl will receive extra prints.

Contact me for more details and/or sample images from a recent party.

One 8x10 print

Two 5x7 prints

Four 4x6 prints

All images are printed on archival quality, Kodak professional photographic paper.
